## After-School Club

Do you need reliable high quality childcare after school?  
We have a new venture that we would like to introduce to you!

From January 2012 Five Islands School have an After-school club run by Liz Magee and Helen Glenn, both Ofsted rated 'Outstanding' Childminders with years of experience of providing consistently high quality childcare to support working families. Liz and Helen aim to work with school and parents to continue this standard of care after-school for families requiring childcare.

**The After-school Club** is open at the Five Islands School from Monday to Friday during term time providing childcare from 3.15 until 5.30pm, (finishing times may be varied to meet the needs of working parents).

**The After-School Club** is based in Red Class and has it's own safe outdoor play area. Places are available for all primary aged children including Nursery class. Activities are planned to suit all ages of children, most sessions will take place on school premises although there will also be visits planned.

The club will be open from the end of each school day, your child will be collected from their class by after-school club staff. The cost per hour is £4.60 per child and will include high tea or snack depending on what suits your child at this time of the day, just let us know. Sessions must be pre-booked but can be flexible so whether you need childcare for 1 or 2 hours every day, on an occasional or permanent basis we can help to meet your childcare needs.

We want **The After-School Club** to be a great place for your child to feel safe and happy, to relax, play, try new activities and have lots of fun! Sessions will be child-led and include games, craft activities, cookery sessions and lots of toys and resources to suit a wide age range.

There will initially be a maximum of 16 places available. Please fill in and return the attached form to either Liz Magee, Helen Glenn or via post to the address above if you would be interested in a place at **The After-School Club** for your child.

We look forward to hearing from you!
